Whereas, the members of the Missouri House of Representatives always welcome the opportunity to acknowledge milestone events in the lives and careers of Show-Me State residents who have proven down through the years to be exemplary citizens in local communities and neighborhoods; and

Whereas, Kathy Howard of Warrensburg, Missouri, attained considerable distinction as the Community Resource Development Director at Care Connection for Aging Services, a leadership calling that she drew to a close on April 9, 2008, in well-deserved retirement after seventeen years of service; and

Whereas, a Certified Fund Raising Executive with CFRE International, Kathy Howard is a member of the Mid America Planned Giving Council and the Kansas City Council on Philanthropy; and

Whereas, in her role as Community Resource Development Director, Kathy Howard was responsible for the planning and development of programs and resources for the Care Connection thirteen county area; and

Whereas, Kathy Howard assisted individual communities in developing and implementing a broad range of home- and community-based services for older adults, provided training and assistance to the Care Connection Executive Board of Directors and local senior center service boards, and guided and assisted local coalitions in developing resources and programming that helped keep older adults in the Care Connection area healthy and independent in their own homes and communities; and

Whereas, it is fitting and proper that the Missouri House of Representatives should pause in its diverse legislative actions in order to recognize such outstanding Missouri citizens as Kathy Howard at momentous times in their lives:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-fourth General Assembly, join unanimously to applaud the personal and professional accomplishments garnered in the life and work of Kathy Howard and to convey to her this legislative body's most heartfelt best wishes as she partakes of the special opportunities and pleasures traditionally associated with the golden years of retirement; and
